Dear Ministry Partners of Ben and Jacqueline Meredith,

My name is Mike Mehaffie and I serve as the project director of the 2009 Santa Cruz Summer Project where the Merediths are serving this summer. The project consists of 62 university students from 26 campuses and 20 Campus Crusade for Christ staff. In the 10 weeks we are here, God helps to develop a deeper love for Himself and excellent hands-on training in evangelism and discipleship. It is one of the best leadership development programs our ministry does. I have served with this ministry for 33 years.

Ben and Jacqueline are very key to the success of our project. They bring a wealth of ministry experience to their work. The wisdom they bring to the table by being married, parenting a one-year-old son, having served overseas in Sweden, and Ben's musical abilities is tremendous.

First of all, let me thank you for partnering with them to make their ministry possible. You are laying up for yourselves treasures in heaven by investing in and praying for their ministry. (Matthew 6:18-19). Secondly, they came up \$9,500 short for their summer needs, and are currently \$2,000 per month short in their monthly support needs. Knowing that you may be giving all you can, please be faithful in what you promised. If you can increase your monthly amount, now would be a great time; or, if you can give a special gift to get them through the summer, please make checks out to "Campus Crusade for Christ," and send them to Ben and Jacqueline Meredith, 113 Wicklow Dr, Asheville, NC, 28806. You can also increase monthly amounts or send in a special gift via their website, www.BenandJacq.com by clicking on "Contributions" in the top bar. God is in control, whatever you decide will be fine.

Respectfully Yours,

Michael Mehaffie.
