Our family & staff would like to welcome you to Bay County!

We know that it can be difficult joining a new community and that there are adjustments necessary in becoming aligned with businesses that you are unfamiliar with. We would like to assure you, that should any services ever be required, you can rely upon us to provide the dignity, professionalism and personal care that we have been offering Bay County for over 74 years.

We offer two convenient locations to assist our friends & neighbors and we are proud to offer services in Advance Funeral Planning, Veteran Honors, Cremation Services, Monuments and Funeral Arrangements.

Once again, it's our privilege to welcome you to our community ~ and let us assure you that should the need ever arise, we will be there to assist you.

Warm regards,
