

Cadre in Costa Rica!

February 12-19, 2008

Please pray for Bill, Emily, Bill, and Aubrey—and the rest of the Cadre team as we take Cadre training to national youth leaders in Latin America. We'll be partnering with missionaries who serve at the Latin America Multiplication Center in San Isidro de Heredia, Costa Rica. This training center is currently influencing ministries in Argentina, Bolivia, Colombia, Cuba, Ecuador, Guatemala, Honduras, Nicaragua, Mexico, Panama and Venezuela. Over the last eleven years missionaries have trained 5,000 young people and 2,000 Latin leaders and have just begun sending out Latin missionaries into the 10/40 window. We need your help! ***We need your extra special prayers and financial partnership as we step into this very strategic opportunity to train, coach, and mentor those who work with students in Latin America!***

Meet the Rest of the Costa Rica Missions Team...

Our other ministry partners on this missions trip to Costa Rica are Cadre staffers Dave and Rennie Garda and Cadre trainer Pastor Ken Lippold.

How You Can Pray for All of Us...

That God would use us to encourage and equip national youth leaders in Latin America.

That each of us encounters God in a personal and powerful way and are changed forever.

That we would be a blessing and encouragement to everyone we meet and work with.

That we would work well together as a team.

For God's divine safety and protection as we travel to, in, and back from Costa Rica.
