

The PYP Place

By Becky Magnuson PYP
Coordinator

Thank you to the parents and teachers that attended our IB Parent Forum on October 2nd. We experienced some great lessons on what inquiry looks and feels like in the classroom.

One of my jobs as the PYP coordinator is to educate parents about our PYP program and our status as an IB PYP Candidate School. One way I will do this is through our monthly newsletter.

Each month I will write a short article about the PYP program at our school. Some of the topics could include events taking place in classrooms, components of the PYP, requests for guest speakers or IB news.

Please be sure to read the newsletter each month so you can be well informed about our PYP program. Check out the schedule below that highlights the attitudes and attributes of the Learner Profile that we will be

focusing on in the upcoming months.

"The PYP draws on research and best practice from a range of national systems with a wealth of knowledge and experience from international schools to create a relevant, engaging, challenging and significant educational framework for all children." - IB

CM Monthly Schedule 2007-2008

Month	Profile	Attitude
