### INITIATIVES:

**“ADOPTIONS”:** This is our way of phrasing our initiative for generations to connect and relate in the church. We believe in generational diversity as much as ethnic diversity, and want to see generations connecting and relating, showing the world the unity and the love of Christ, through our love for one

another. We'll have a time after Sunday morning gathering for all of us to "adopt" a young person, or an older person.

**NO STRANGERS:** Before, during, and after Sunday mornings is a crucial time for connecting with the people in the church community. If you are or have been attending the gathering on Sunday mornings, and see people who you don't know, we encourage you, get to know them. Look for unfamiliar faces, and become familiar. Our fellowship time after the gathering is a great place and time to get connected, or even invite someone to lunch after the gathering. Be a part, know your part.

**18-20 SOMETHINGS:** Meet on Thursday evenings at 7pm. Talk to Chris or Savannah Keller for details, or email [chris@thechurchinwestridge.com](mailto:chris@thechurchinwestridge.com).

**HIGH SCHOOL/JR. HIGH:** Open Gym meets Friday nights here at the facility, in the gym, 7pm. See Claudiu Stan for details.

## PRAYER

Our weekly corporate prayer meeting is Wednesday's, 6pm, here at the facility. Our theme for the next two weeks is, "Father, give me a bigger picture of who You are and Your work in my heart." Please pray this with us as we seek to see this world, city, and neighborhood the way the Lord sees it. Also, that we would as a community recognize and respond to the Lord's work in our own hearts.

PLEASE SUBMIT ANY PRAYER REQUESTS IN THE BOX AT THE INFORMATION TABLE, CALL THE OFFICE @ 773-338-1111, OR ONLINE, [info@thechurchinwestridge.com](mailto:info@thechurchinwestridge.com). We will add these to the weekly, and on the website as requested. If you prefer privacy for pastoral staff, please note this on the request.
