

# HOW TO GET TO THE HIDEAWAY AT THE APPLE HOUSE

## FROM THE EAST/DAYTON AIRPORT

(TRAVEL TIME FROM AIRPORT: ABOUT 45 MINUTES)

- ❖ Take I-70 west toward Richmond.
- ❖ About 30 miles after you leave or pass the airport, you'll go under the blue Ohio arch near the state line. Shortly thereafter, take the first Richmond exit (156A/U.S. 40).
- ❖ Follow the signs to stay on U.S. 40 through the heavily commercialized east side and past the downtown area on U.S.40/North A Street.
- ❖ At some point as you go through downtown, get over into the right lane.
- ❖ When you reach the western end of the downtown area, you'll see Richmond's Municipal Building on your left (it has futuristic white columns and in front of black marble walls) and the road will force you to round a bend to the left.
- ❖ Turn right at the stoplight after you round the bend, before you pass the limestone courthouse across the street on your left.
- ❖ This will put you onto Main Street and will take you across the Main Street Bridge.
- ❖ Continue through the stoplight at the end of the bridge and the next stoplight after that (which is North West Fifth Street, with a Village Pantry on your right).
- ❖ Two blocks later, turn right onto North West Seventh, immediately after you pass Richmond Friends School/West Richmond Friends Meeting on your left and the big house in the little woods on your right.
- ❖ The Apple House, at 115 N.W. Seventh St., is a tan and brown, Prairie-style home on the right side of the street, on the corner at the alley.
- ❖ Pull around to your private garage by turning right into the alley, past the house, then right just after the little shed into the gravel alley off the main alley, and right again around the big sailboat. We will have the garage door open for you.
