Terms & Booking Form

- The band requires 20 minutes to set up equipment prior to the start time. Power points must be provided by the hotel/venue and a space cleared for the band to set up. These must be adequate to support a live band. We will provide extension cables to account for the additional sockets required. The band will not be held liable for any late start due a failure of the venue to provide the above.

- In the event of a member of the band being unable to perform, a substitute of an extremely high standard will be sourced. We have a number of professional people who can fill in and this will not change the style or the set (we will let you know if this is happening). As such, it is highly unlikely that the band would cancel and this has not happened to date. In this event, however, the deposit will be refunded completely, and assistance in finding a replacement band will be given.

- All contact should be made by email to info@trioroyale.com. This address goes directly to both Cian and Cormac, and is the best way of keeping consistent contact. If urgent, we can be reached anytime on 087-2216788 (Cian Boylan)/0872865423 (Cormac Kenevey)
