The mission of the **Ben Lippen Booster Club** is to provide the financial and volunteer support to adequately meet the needs of all 27 of its Varsity, JV, and MS athletic teams. As our athletic program grows, the requirements for facilities (both new and updated), equipment, uniforms, and budget expenses continue to increase. Therefore, Ben Lippen School, like most others, must rely on the generosity and support of current families, alumni, friends, and corporate sponsors to supplement the cost of supporting its Athletic program. This is accomplished through booster club memberships, designated financial gifts, the sale of spirit merchandise, and program advertising sales. Our Banner Advertising program provides an opportunity for each team to generate income for their respected sport. Fifty percent of each new or renewing banner sold is allocated to the team for use during the athletic year. The remaining percent, after banner production costs, is allocated to our Capital Account to fund future projects.

Volunteers to assist the Athletic Department & Booster Club are always welcome. Parking attendants, concessions, and gate managers are just a few of the many areas the Booster Club and Athletic Department could use your support. For more info on how you can assist, contact the booster club at blbooster@hotmail.com. Thank you for your commitment and support of Ben Lippen Athletics.
