

WHAT ELSE DOES THE PAPANUI YOUTH DEVELOPMENT TRUST DO?

Holiday Programmes

Papanui Pirates — Held each holiday break for primary aged children. A feature of these fun events is the concentration on crafts, baking, creative leadership and the occasional trip. Up to 50 attend these programmes each time.

Casebrook Cruisers — Held each holiday break for intermediate aged children. This is different in that the smaller numbers (18 spaces) mean activities are mainly trips away during the day with plenty of action and fun times.

Rock Solid

This is a weekly club programme for intermediate aged young people featuring life skills from a Christian perspective with heaps of fun, games and just good times!

Training

PYD is active and passionate about youth training. We regularly have trainee youth workers on the Praxis course do their training with us.

Breakfast Club

This started over five years ago at Northcote Primary School in response to the school saying that they had children coming to school without breakfast. Since then, every Tuesday and Thursday, we have provided breakfast for those who come along. This also majors on teaching life skills to the children.

WHO ARE WE?

The Papanui Youth Development Trust was established in 2002 and is a Christian based Trust. We seek to promote and work with all young people, regardless of beliefs, culture or race and are committed to positive engagement with young people and their families. We aim to provide quality programmes and events for all young people and their families at an affordable price. Although our target age groups are Year 1 (5 years old) through to Year 13 (18 years old), at Te Koru Pou Iho we predominantly work with young people aged 11-18 years old.

We aim to provide quality, relational, holistic programmes and opportunities for young people. At Te Koru, this will happen through a combination of one-off events, weekly after school and evening programmes and by working closely with other local youth and community agencies.

WHO IS THE YOUTH CENTRE FOR?

Te Koru will primarily run programmes and events aimed at intermediate and high school aged young people. However, this is a community facility, and we hope that people of all ages and backgrounds will feel welcome and be able to use this awesome resource in some way. Our facilities are available for hire by everyone in the community, but priority will be given to bookings that benefit the city's young people.

Young people on the Casebrook Cruisers holiday programme

The Te Koru buildings and surrounding area are strictly alcohol free, and non-smoking areas.

WHAT HAPPENS @ TE KORU?

We offer a wide range of programmes and events during school hours, after school, evenings and weekends.

We are currently running many afterschool programmes from around 3pm—5:30pm. These include indoor climbing sessions, art sessions, open computer suite with movie maker, PS3s and recording in the music recording studio (see insert for more details).

We are also available to help you organise a quality programme or event for you and the young people you work with. While our priority is to work with young people, we are also committed to serving the wider community.

All our programmes and events are well supervised by a quality team of volunteers. If you would like to find out more about volunteering here at Te Koru—we would love to hear from you!!! Please give the office a call!

HOW MUCH DOES IT COST?

Most of our afternoon sessions cost \$3-\$5 per person per session with the exception of the recording studio. We also have special rates for school and non-profit community groups. We are committed to keeping the costs low, so that we are accessible to as many people as possible.

For more information on costs, programmes, events or booking one or all of our rooms, please call the office on 03 354 9381 or email office@pyd.org.nz
