

A person wearing grey work clothes, heavy-duty work gloves, and black rubber boots is digging in a trench. They are using a shovel with a wooden handle and a metal head. The soil is dark and appears to be a mix of dirt and gravel. The person's hands are visible, gripping the handle of the shovel. The background shows the depth of the trench and the texture of the earth.

I will show you what he is like who comes to me and hears my words and puts them into practice. He is like a man building a house, who **dug down deep** and laid the foundation on rock. When a flood came, the torrent struck that house but could not shake it, because it was well built. [Luke 6:47-48 NIV]
