

Kindergarten

Dear Parents,

As mentioned at Open House, Kindergarten gives each child the opportunity to tell us about his/her family! We will be starting Family Day in next week. Family Day starts immediately following the morning news and ends approximately 9:10, before Shabbat. The purpose of Family Day is for each Kindergartner to use their language skills to express what makes their family special.

Each family makes a poster to bring in as a conversation starter. This poster should include the following information:

1. family members
2. pets (if any)
3. careers in the family
4. any fun vacation pictures
5. extended family pictures
6. favorite family activities
7. a baby picture of the kindergartner
8. a picture of a Judaic object in your home
9. a picture of a Judaic celebration you had as a family

In addition we will play Family bingo using the attached board. Please fill out the board with pictures or labels of your family members, ex: mom. Pictures can be hand drawn or digitally prepared. Please return this to the class at least 3 days before your family day so we can copy it for the class to use.

Finally, Family Day ends with a reading of your child's favorite book by you. **Your Family Day is** _____.

Thanks for your cooperation. We look forward to seeing you on Family Day!
