Actual Job Evaluations

Since my last report, he has reached rock bottom and has started to dig.

Actual Performance Evaluations

His men would follow him anywhere, but only out of morbid curiosity.

Actual Performance Evaluations

I would not allow this employee to breed.

Actual Performance Evaluations

This employee is not so much of a has-been, but more of a definitely won't be.

Actual Performance Evaluations

Works well when under constant supervision and cornered like a rat in a trap.

Actual Performance Evaluations

When she opens her mouth, it seems that this is only to change whichever foot was previously in there.

Actual Performance Evaluations

He would be out of his depth in a parking lot puddle.

Actual Performance Evaluations

This young lady has delusions of adequacy.

Actual Performance Evaluations

She sets low personal standards and then consistently fails to achieve them.

Actual Performance Evaluations

This employee should go far ...and the sooner he starts, the better.

Actual Performance Evaluations

This employee is depriving a village somewhere of an idiot.
