

I was recently on a tour of Latin America, and the only regret I have was that I didn't study Latin harder in school so I could converse with those people.

The World According to Dan Quayle

If we don't succeed, we run the risk of failure.

The World According to Dan Quayle

What a waste it is to lose one's mind. Or not to have a mind is being very wasteful. How true that is.

The World According to Dan Quayle

We're going to have the best-educated American people in the world.

The World According to Dan Quayle

Quite frankly, teachers are the only profession that teach our children.

The World According to Dan Quayle

It's time for the human race to enter the solar system.

The World According to Dan Quayle

I have a very strong record on the environment in the United States Senate.

The World According to Dan Quayle

We don't want to go back to tomorrow, we want to move forward to the past.

The World According to Dan Quayle

68% of children today are born with no family

The World According to Dan Quayle

I've made good judgments in the past and I've made good judgments in the Future.

The World According to Dan Quayle

The future will be a better tomorrow.

The World According to Dan Quayle

Quayle

We'll let the sunshine come in and shine on us, because today we're happy and tomorrow we'll be even happier.

The World According to Dan Quayle

Verbosity leads to unclear, inarticulate things.

The World According to Dan Quayle

There is growing scientific opinion that global warming is good for us

The World According to Dan Quayle

I stand by all the misstatements that I've made.

The World According to Dan Quayle

People who are really very weird can get into sensitive positions & have a tremendous impact on history

The World According to Dan Quayle

The United States has a firm commitment to NATO, we are a part of NATO. We have a firm commitment to Europe, we are a part of Europe

The World According to Dan Quayle

My friends, no matter how rough the road may be, we can and we will never, never surrender to what is right.

The World According to Dan Quayle

A low voter turnout is an indication of fewer people going to the polls.

The World According to Dan Quayle

John Sununu isn't a man who is leaving with his head between his legs.

The World According to Dan Quayle

Unfortunately, the people of Louisiana are not racists.

The World According to Dan Quayle

We lead the world in exporting jobs.

The World According to Dan Quayle

If you fish for a person, they'll eat for a day. But if you show a person how to fish, they'll be a fish for a lifetime.

The World According to Dan Quayle

Quayle

I am not part of the problem; I am a Republican.

The World According to Dan Quayle

I am more like I am today than I ever was yesterday.

The World According to Dan Quayle

Absolutely!
I certainly hope I am.

The World According to Dan Quayle

I don't watch it, but I know enough to comment on it.

The World According to Dan Quayle

Tobacco exports should be expanded aggressively because Americans are smoking less.

The World According to Dan Quayle

Quayle

Hawaii is a unique state. It is a small state. It is a state that is by itself. It is a -- it is different than the other 49 states. Well, all states are different, but it's got a particularly unique situation.

The World According to Dan Quayle

It's wonderful to be here in the great state of Chicago.

The World According to Dan Quayle

I love California; I practically grew up in Phoenix.

The World According to Dan Quayle

For NASA, space is still a high priority.

The World According to Dan Quayle

We're going to have the best-educated American people in the world.

The World According to Dan Quayle

When I have been asked during these last weeks who caused the riots and the killing in L.A., my answer is direct and simple: Who is to blame for the riots? The rioters are to blame. Who is to blame for the killings? The killers are to blame.

The World According to Dan Quayle

The US condones violence in El Salvador.

The World According to Dan Quayle

Quayle

We expect the Salvadoran officials to work toward the elimination of human rights in accordance with the pursuit of Justice.

The World According to Dan Quayle

We are ready for any unforeseen events that may or may not occur.

The World According to Dan Quayle

The U.S. victory in Gulf war was a stirring victory for the forces of aggression.

The World According to Dan Quayle

It makes me feel more like I do now than I did when I first got here.

The World According to Dan Quayle

I was known as the chief grave robber of my state.

The World According to Dan Quayle

It isn't pollution that's harming the environment. It's the impurities in our air and water that are doing it.

The World According to Dan Quayle

Quayle

I believe we are on an irreversible trend toward the future - but that could change.

The World According to Dan Quayle

The Holocaust was an obscene period in our nation's history. I mean in this century's history. But we all lived in this century. I didn't live in this century.

The World According to Dan Quayle

One word sums up the responsibility of any vice president, and that one word is 'to be prepared'.

The World According to Dan Quayle

Let me just tell you how thrilling it really is, and how, what a challenge it is, because in 1988 the question is whether we were going forward to tomorrow or whether we were going to go past to the -- to the back!

The World According to Dan Quayle

Republicans understand the importance of bondage between a mother & child.

The World According to Dan Quayle

Quayle

Hawaii has always been a very pivotal role in the Pacific. It is in the Pacific. It is a part of the United States that is an island that is right here.

The World According to Dan Quayle

Welcome to President Bush, Mrs. Bush, and my fellow astronauts.

The World According to Dan Quayle

Mars is essentially in the same orbit... it is somewhat the same distance from the Sun, which is very important. We have seen pictures where there are canals, we believe, and water. If there is water, that means there is oxygen. If oxygen, that means we can breathe.

The World According to Dan Quayle

The loss of life will be irreplaceable.

The World According to Dan Quayle

We're all capable of mistakes, but I do not care to enlighten you on the mistakes I may or may not have made.

The World According to Dan Quayle

There is nothing that a good defense cannot beat a better offense...in other words, a good offense wins.

The World According to Dan Quayle

Getting cruise missiles more accurate is important so that we can have precise precision.

The World According to Dan Quayle

We should develop anti-satellite weapons, because we could not have prevailed without them in *Red Storm Rising*.

Dan Quayle

The World According to Dan Quayle

I deserve credit for all the things I did not do.

The World According to Dan Quayle
