

Good Morning

Tuesday 11/22

- Take out pen or pencil.
- Take out your lap tops.
- Put all bags away (in the corners of the room).
- Follow the instructions on the worksheets that are in the middle of your tables.

Use these resources to complete the warm up sheet!

- 1. <http://www.nineplanets.org/>
- 2. <http://www.solarviews.com/eng/homepage.htm>
- 3. <http://pds.jpl.nasa.gov/planets/welcome.htm>
- 4. <http://planetary.org/learn/index.html>
- 5. NASA Solar System Lithograph Set (I gave you this a couple weeks ago).
- 6. Search for the information using search engines like google and yahoo.

You can also find these web addresses in the Public folder (Resources.doc)

**Share with your
neighbor!
(3 min)**

Let's have a lottery!

1. Pick a number from the hat...
2. When your number is called tell Mr. Urdal what planet you would like to research
3. We can only have 4-5 people for each planet

Solar System Project!

- Go to the Public Folder and copy "Solar System Project.doc" to your computer.
- Open this file.
- Let's go through it together!

Research your Planet!

- By the end of class you must tell Mr. Urdal how you will present the information about your planet (keynote, poster, pamphlet...)
