

# Technical Rider Bathtub Piracy

*This rider is intended to give you an idea of what Bathtub Piracy will need in order to perform at your show. Additionally below there are some general questions you can answer to ensure not only that we're completely prepared for your event, but also so we can help you advance and promote it as well. If you have any questions, please contact us at [info@bathtubpiracy.com](mailto:info@bathtubpiracy.com)*

1. What is the venue, date, time and sort of event?
2. Who are the other artists performing (if any)?
3. How many people are you expecting?
4. What is the venue's capacity?
5. Is there a door charge? If so, how much?
6. Can we sell merch, and will you have a merch table w/ staff we can consign to, or will we need to bring merch staff?
7. What kind of promotion/advertising is being done for this show?
8. What are your graphic designer's name and email address(es) being we would like to get them logo/designs and other high-resolution images they may need? If you are in need of graphic design, Bathtub Piracy has designers on staff.
9. Could you give us the names and addresses of the local papers and radio stations in your area so that we can get press out to them as well?
10. What kind of sound system is being used? We can give you a more specific list with brands/models and more specs, but we generally require:

**High-Power Speakers** Subs, mid-ranges, and horns, (2-8 of each, mids and highs are suitable if within same speaker box)

**4-12 monitors** depending on stage size

**Amps** to match and adequately power all speakers

**4 mics** Shure SM58 or equivalent) + adjustable stands

**Bass Amp**

**Soundboard Rack** containing: EQ, compressors, crossover, limiters, EFX

**Snake** if sound station is away from stage) with DI boxes (4)

**2xTechnics SL-1200 Turntables**

**Pioneer DJM-800 Mixer (Traktor Scratch ready)**

**2xPioneer CDJ-1000MK3**

**Dedicated power source + power strips**

**All necessary wires to connect all components**

11. What kind of lighting do you have? If possible, we would like adjustable lighting - digitally or slide controlled - by lighting-person or soundman.
12. Bathtub Piracy will need a case or equivalent of a case of water backstage in a cooler or on ice. Also, one bottle of Vodka, a jar of pickles and four no-pork sandwiches.

*Please make any necessary changes and e-mail the document back to [info@bathtubpiracy.com](mailto:info@bathtubpiracy.com) Once it is received, we will review the information and contact you back to work out the details.*
