

We've shared wonderful classes at the IceHouse for many years, and now is the time to "Step out of the box", put on your red shoes and join us in a Field trip to Mackinaw island armed with a camera, a note book and a sense of fun. Pam will lead you on a photographic field trip. Learn to look at things just a little differently. Each of you will have taken different photos and you will share several days with your friends designing a quilt from your own photos.... It may not be an applique quilt.... maybe you will enjoy taking the colors from nature and creating new pieced blocks.....
