## **RULES & REGULATIONS**

**Eligibility of Animals:** All goats must be registered in the herdbook of a recognized association before time specified by the show. Recognized associations include ABGA, International Boer Goat Association, USBGA and the Canadian Boer Goat Association. Original registration certificates are required, though a copy of a Registration Application, stamped with the date received by one of the listed associations, can be accepted for kids less than 3 months of age. Animals must be registered in the name of the exhibitor and must have been owned by the exhibitor on or before date determined by said show. Throughout the ABGA and JABGA Show rules the term exhibitor is defined as the owner of the animal listed in the ABGA registry shown on entry deadline. All goats must be appropriately identified and comply with USDA Scrapie Eradication Program Guidelines. **The original registration certificate is required. A stamped certificate by an approved boer goat association is permitted for animals under three months old.**

**Purpose:** Sanctioned shows are intended to provide producers a benchmark of their breeding program as it compares to the breed standards and other producers breeding programs. It is also an important advertising and marketing system for genetics developed by producers. Therefore, the main focus of sanctioned ABGA shows is the genetic improvement of the breed and promotion of goat industry. Use of costumes and/or apparel is not permitted during an ABGA Open Sanctioned Show.

**Entries:** Any show receiving ABGA sanctioning shall be open to all exhibitors; however, the show representatives may use their discretion and have the right to ban exhibitors if they consider it necessary for the good of the show. There should be no limit on the number of animals that can be entered in a class by an exhibitor, unless the sponsoring show deems this limit necessary. ABGA sanction shows cannot require animals to sell in a sale as a condition of participating in the show. When the original registration certificates are presented at check-in the tattoo of each animal should be recorded so that it may be displayed on the results that are turned in to the ABGA office.

**Ennobled Herd Book Points:** Only goats entered under their ABGA registration number and presenting their ABGA Certificate of Registration will be eligible to earn points for their actual placing in the show as described in the ABGA "Criteria for Ennoblement of a Boer Goat."

**Tattoos:** All goats must have legible tattoos or other means of permanent identification consistent with its registration certificate or the animal will be disqualified. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that the tattoos are read and properly recorded. The show secretary will be responsible for recording the tattoos and informing the judge as to which goats will need to be checked. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.

**Computing Ages:** Birth dates, as listed on the registration certificate will be used to determine the class divisions. In order to calculate class breaks, take the show date and count back to the birth date to determine the age and class for the animal.

**Classes:** All animals must be registered purebred, fullblood or percentage blood Boer goats. Divisions are according to the chart below. Bucks 96.86% and lower are not eligible to be shown. Progeny of fresh does will NOT be allowed in the ring. At the discretion of the judge and superintendent, goats may be let loose in the ring as a function of judging. The Champion and Reserve Champion classes will be chosen from the first and second place animals in that division of the show.

| <b>Animal Division</b>   | <b>Percentage of Boer</b> |
|--------------------------|---------------------------|
| Percentage Does          | 50% - 88%                 |
| Fullblood/Purebred Does  | 93.75% and higher         |
| Fullblood/Purebred Bucks | 96.87% and higher         |

**Disqualification:** Any goat showing any pronounced defect or abnormality will be barred from the show in any of the breeding classes. Artificial coloring will be a disqualification. Illegible tattoos or tattoos inconsistent with registration papers will result in disqualification. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show.

**Other Rules & Regulations:**

1. Only one person per goat is permitted in the ring.
2. Substitutions are allowed in the same class only and must have the same ownership as the original entry. Please make substitutions at check-in.
3. Exhibitors will check registration papers at the office upon their arrival.
