# People's Institute After-school

The People's Institute provides a variety of child care options for children Kindergarten through 8th grades. All of our programs are state licensed and follow the strict guidelines established by Office of Child Care Services. Our programs are staffed by warm, caring and competent personnel. Our goal is to provide a safe, enriching and fun environment for your child. We encourage children to develop their own unique interests and recognize them as individuals. We also encourage family involvement and celebrate the enrichment that diversity brings to the program.

## Purpose and Philosophy

Meeting the needs of the total child is our top priority. Our program is focused on the child as an individual. It is designed to address the physical, social, emotional and aesthetic needs of each child. It is our philosophy to develop the program around the children, instead of fitting the children into the program.

***Afterschool has a three day  
minimum!***

## After-school Program

Our after-school program provides a safe and relaxed environment for children in grades K-8th grade. Parents love it because they can finish their work day knowing their children are being well cared for. Children love it because its fun! Daily activities are varied and allow opportunity for social, emotional and intellectual growth.

**fee: \$16.00/day**

## Before School & Extended Care

To accommodate the busy schedules of today's families, early morning care is available from 7:30-8:30 a.m. with bus transportation to school and extended care is available from 5:30-6:00 p.m.

**Fee: \$8.00/day Before School Care**

**\$7.00/day Extended Care**
