I would like to take this opportunity to introduce to you Chaya. Chaya Pitcher is a vital part of the ministry at Rancho Murieta Community Church and is the wife of Rev. Rick Pitcher, my Worship Pastor. Truth be known, I brought Rick on staff so we could get Chaya, but don't tell him that. Chaya is involved in almost every aspect of ministry at RMCC. She has lead worship for our Sunday services, is a regular part of the worship team, often does special music, works with VBS, Nursery and even cleans the church on a weekly basis. Chaya also makes herself available to represent the church, and more importantly the Savior, at community events and special seasonal services such as Good Friday, Praise in the Park, Christmas and Easter Musicals and our special July 4<sup>th</sup> community events.

Chaya has a musical style that will move you. Her music is from the heart and reaches directly into the listener's heart. One of the greatest aspects of her music is that it reflects real life. She is well loved in the community and has recently released a new CD that was eagerly received by all who hear her warm, beautiful voice.

I am very grateful that God has allowed Chaya to be a part of the ministry at RMCC but even more that God would allow her to be my friend. I know that you will be touched by her warm personality and her moving music. God has blessed me through Chaya and he will bless you too.

Sincerely,  
Rev. David Zimbelman  
Senior Pastor
