Mountain Man Breakfast

1/2 lb bacon (or pre-cooked sausage)

Med onion

2 lb. bag of hash brown potatoes

1/2 pound of grated cheddar

1 doz eggs

Small jar of salsa (optional)

The following requires 6-9 bottom coals and 12 -15 top coals:

Pre-heat 12" Dutch Oven. Slice bacon and onion into small pieces and brown in the bottom of the DO until onions are clear. Stir in the hash brown potatoes and cover; remove cover and stir occasionally to brown and heat potatoes (15-20 minutes) Scramble the eggs in a separate container and pour the mixture over the hash browns. Cover and cook until eggs start to set.(10 - 15 minutes)

Sprinkle grated cheese over egg mixture, cover and continue heating until eggs are completely set and cheese is melted. Optional: cover cheese/egg mixture with a small jar (~ 1 cup) of SALSA. Cover and cook for an additional 3-5 minutes. Slice and server like quiche. (Real men don't eat quiche but I sure get lots of requests to cook up the Mountain Man.) Cooking times will vary with the weather and your state of awake but its almost impossible to screw up. Serves 6. Rich Locke, Adviser, Post 486, Williamsburg, VA

Breakfast Pizza

All you need is biscuit dough pre-made from the store or homemade if you have the time, eggs, ham, bacon, sausage your preference or all three and cheese. First stretch the biscuit dough thin a spread it over the bottom of the dutch oven so none of the oven can be seen. Then pour a small layer of scrambled eggs over the dough. Add your preference of ham, bacon or sausage or all on top of the eggs if you use bacon pre-cook it. Then spread the cheese over that and cook for 10 to 15 minutes and the Scouts will eat it up. It work for us and was given to our lodge by a Scoutmaster and his troop credit must go to Troop 29 of Union, Mississippi. Happy Cooking. Joe Maxwell, Scouter, OA Lodge Advisor
