

# Tijuana Home Building

## Gift Basket Order Form

For the past several years families at Cross Sound Church of Bainbridge Island have served in Tijuana, Mexico on a project called Homes of Hope. This year is no exception. Roughly 65 people will spend Thanksgiving week 2008 building 3-4 homes for needy families whose only shelter commonly consists of scrap boards and metal. This fall we present you with an opportunity to purchase gift baskets to raise funds for this year's homes. Buy one for yourself or give one as a gift to a friend or family member. 100% of proceeds will go toward building materials and supplies for the homes. It is our way of including you in our "Blessed to be a Blessing" adventure with our neighbors across the border.
