**EAST Meets WEST**

# **Triumphest & VTR National 2009**

**San Luis Obispo, California**

**Wednesday, September 30, through Sunday, October 4, 2009**

**T**riumphest 2009 will be held in the lovely town of San Luis Obispo, California. Simply called "SLO" or "San Luis" by locals, this Central California town is conveniently located half way between Los Angeles and San Francisco.

**T**riumphest is hosted yearly by one of the five West Coast Triumph Clubs at various venues... from Lake Tahoe to San Diego, Ventura to Laughlin, NV, and many sites in between. This year, the Southern California Triumph Owners Association (SCTOA) has decided to pull out the stops, and invite the VTR National group to join in on our west coast fun. The event will be held at the Embassy Suites, a hotel that offers large, two room suites, free breakfast and happy hour, and plenty of room to spread out to enjoy the games, contests, rallies, competitions and our time together.

SLO is adjacent to the world famous CA Highway 1, one of the most scenic drives in the country. Stop along the way to tour Hearst Castle, and take photos along this beautiful coastal highway as it winds through some of the most spectacular ocean views in the United States.

This event will be the tried and true Triumphest that we love, with all of our traditional fun events, and the added variety that a VTR National will bring to it.

The registration fee will be the same modest amount that we are accustomed to. As a bonus, a short term VTR membership will be extended at no additional charge, as an introduction to the Vintage Triumph Register.
