RE: Reading Requirements

The fourth grade students at SDS will be required to read a minimum of 3 books during the summer break. A list of suggested titles is included with this letter. The boys may also choose a book of their choice as long as it is 3.5 (or higher) reading level. If you are unsure of reading level, most bookstores can help you.

When your child completes each book, please fill out the **READING LOG** with the Book Title and Author and sign it. This form will be used as the assessment tool for summer reading and must be submitted to on the first day of fourth grade. I have also included some suggestions to encourage your sons to read. Please have him spend time every day reading "something". Magazines, the newspaper and comic books are also ways your son can learn to develop a love for reading!! Graphic novels are the new RAGE and are included on the list. Seeing parents read is a wonderful example too!

One other important Reminder: Please have your son practice his multiplication facts throughout the summer. He is expected to know them when he comes to fourth grade. I DO NOT spend time reviewing them in class!! I look forward to teaching your sons next year. Have a restful, fun summer!
