

Sounds Good: Quicker, better assessment using audio feedback

Student Questionnaire 1

For use after the FIRST round of audio feedback.
Please complete this and return it to your lecturer.

1. Lecturer's name

2. Module name

3. Coursework item on which you have received audio feedback (e.g. essay, lab report, presentation)

4. At what stage of preparation was the coursework on which you received audio feedback? Please tick one of the options below.

- Early stages / rough ideas
- Incomplete draft
- Full draft
- After formal submission for assessment
- Other (please explain)

5. How did you receive the audio feedback? Please tick.

- Email to my Leeds Met email address
- Email to my private email address
- In 'X-stream' (the University virtual learning environment)
- Other method (please explain)

6. How have you listened to the audio feedback so far? Please tick ALL that apply.

- On a University computer
- On computer at home
- On a computer somewhere else
- On a portable audio device (e.g. MP3 player)
- Some other way (please explain)

7. About how long was the audio feedback? Please tick.

- Less than 2 minutes
- 2-5 minutes
- More than 5 minutes

8. How easy was it to listen to the audio feedback? Please tick.

Please turn over

- Very easy
- Fairly easy
- Neither easy nor difficult
- Fairly difficult (please explain)
- Very difficult / impossible (please explain)

9. How helpful was the audio feedback?

10. How does audio feedback compare with written feedback?

11. Do you have any other comments about receiving audio feedback?

When completed, please return this to your lecturer. Thanks for your time.

If you have any questions about the Sounds Good project, please ask your lecturer or me.
