

AP Statistics Students at LSHS are expected to take the Textbook Companion Site Online Quiz as part of their review for each chapter. This quiz should be taken prior to each Chapter Exam.

Follow the instructions below to create a student account at the companion site. Once created, you can log in under this account to take each Chapter Online Quiz.

Registration Instructions:

- Navigate to the Companion Site at <http://bcs.whfreeman.com/tps3e>
- On the left side of the screen, select “I am not registered. Sign me up as a **Student**”
- Enter an email address for your log in.
- Enter your First Name, Last Name, Password, and a password hint.
- Enter my email address in “Instructor email”: statsmonkey@mac.com
- You will be told you have “Basic” access. Click “**Continue**”.

Taking an Online Quiz:

- After logging in to the site, scroll down to “**Student Resources.**”
- Select “**Online Quizzes**”
- If prompted, enter statsmonkey@mac.com for “Instructor email address”
- Be sure to select the correct chapter from the menu on the left. Click “**Online Quizzes**” for the current chapter.
- When taking the quiz, click on the best choice for each answer. SCROLL down to see additional questions...DO NOT use the arrow keys as this will change your answers!
- Click SUBMIT when all questions have been answered. Clicking SUBMIT automatically sends your results to me and this score is entered in the gradebook. Do not click submit until you are ready to turn the quiz in for grading!
