

Directions to DASH for - WORKSHOP Attendees...

The Google Directions to Digital Arts Shoals look a little confusing to me. So you might try following these directions....

From the SOUTH

Get on Highway 43 North – which is also called WOODWARD AVENUE in Muscle Shoals or Sheffield.

At the intersection of Jackson Highway and 43/Woodward continue straight – There is a Suzuki car dealership across the street to your right.

Cross Jackson Highway... stay on this street the name changes to HATCH.

Continue on HATCH for approx 1.8 miles... the name changes to 6TH STREET, but stay straight. Cross Montgomery. Cross Alabama.

At approx. 2.2 miles take a left on LITTLE ROCK.

Go 200 feet and a cool old red brick building is on your right. That's DIGITAL ARTS SHOALS.

FROM THE NORTH...

Cross O-Neil Bridge from Florence going south.

At the top of the hill take a right on HATCH – there is a Suzuki Dealership on your right.

Continue on HATCH for approx 1.8 miles... the name changes to 6TH STREET, but stay straight. Cross Montgomery. Cross Alabama.

At approx. 2.2 miles take a left on LITTLE ROCK.

Go 200 feet and a cool old red brick building is on your right. That's DIGITAL ARTS SHOALS.

Come in and have fun.

If you get in trouble call my cell 256-710-7216 – use this number, but don't share it. It's private.

See you at the workshop!
