## EDUCATION

---

**Ph.D.** Natural Resources with a concentration in Environment & Behavior  
1991, University of Michigan, Ann Arbor

**Master of Landscape Architecture**  
1985, Kansas State University, Manhattan

**Master of Science**, Horticulture  
1982, University of Illinois, Urbana-Champaign

**Bachelor of Science**, Ornamental Horticulture  
1980, University of Illinois, Urbana-Champaign

## POSITIONS

---

- |                 |  |
|-----------------|--|
| 2002 to present | <b>Director</b> , Environmental Council, Office of the Provost, Illinois.  |
| 2008 to present | <b>Professor</b> , Department of Landscape Architecture, and affiliate faculty member in the Departments of Natural Resources & Environmental Sciences, and Human & Community Development, Illinois.             |
| 2005 to 2006    | <b>Interim Director</b> , Illinois-Indiana Sea Grant College Program.  |
| 1998 to 2007    | <b>Associate Professor</b> , Department of Natural Resources & Environmental Sciences, Illinois.   |
| 1992 to 1998    | <b>Assistant Professor</b> , Department of Natural Resources & Environmental Sciences, and affiliate faculty member in the Departments of Landscape Architecture, and Human and Community Development, Illinois. |
| 1991            | <b>Postdoctoral Research Associate</b> , School of Natural Resources & Environment, University of Michigan.  |
| 1990-1991       | <b>Instructor</b> , Huron Valley Woman's Facility, a high and maximum-security prison in Michigan.   |
| 1985 to 1988    | <b>Assistant Professor</b> , Department of Environmental Design, Kansas State University.  |

## HONORS AND RECOGNITIONS

---

National Institute of Medicine's *Roundtable on Environmental Health Science, Research, and Medicine*, 2007-2010.

*Research Achievement Award 2000*, Environmental Design Research Association, awarded to F.E. Kuo, W.C. Sullivan, and the Human-Environment Research Lab.

College Faculty Award for *Teaching Excellence*, College of Agriculture, Consumer, & Environmental Sciences, UIUC, 2000.

University of Illinois *Incomplete List of Excellent Instructors* 14 times between 1993 and 2005.

*John Clyde and Henrietta Downer Spittler Teaching Award*, College of Agriculture, Consumer, & Environmental Sciences, University of Illinois, 1999.

*Excellence in Research and Service*, Illinois Landscape Contractors Association, 1999.

*Teaching Academy*, College of Agriculture, Consumer, & Environmental Sciences, University of Illinois, 1998-2000; 2000 - 2003.

*Outstanding Faculty Advisor*, awarded from Minorities in Agriculture, Natural Resources & Related Sciences (MANRRS), University of Illinois, 1995.

## COMPETITIVE GRANTS

---

Kumar P., Culligan P., Lall U., Sivapalan M., Sullivan W.C. (*under review*, 2009). *Center for global water sustainability (GLOWS): Innovative solutions through prediction of coupled natural and human dynamics*. Submitted to the National Science Foundation's Science and Technology Center program. \$25,000,000 for five years.

Sullivan, W.C. (2009). *The benefits of urban forests and greener schoolgrounds*. USDA Forest Service, North Central Research Station. \$33,689 for one year.

Sullivan, W.C. (2008). *Citizen participation in landscape planning*. City of Galesburg, Illinois, \$22,300 for one year.

Sullivan, W.C. (2008). *Sustainability goals and metrics*. Forest Preserve District of Cook County. \$50,000 for one year.

Abdelzaher, T., Sullivan, W.C., Johnson, S., Campbell, R., Kumar, P.R. (2007). *Towards cyber-physical computing at scale: A life-sized experimental facility for applied sensor networks research*. National Science Foundation, \$400,000 for two years.

Sullivan, W.C. (2006). *Lake Michigan Research and Information Network*. National Oceanic and Atmospheric Administration through Ohio Sea grant College Program, \$80,000 for two years.

Newell, T., McCulley, M., Schejbal, D., Sullivan, W.C. (2006) *2007 Solar Decathlon*. Illinois Clean Energy Community Foundation, \$150,000 for 16 months.

Sullivan, W.C. (2006). *Illinois-Indiana Sea Grant Omnibus 2006*. National Oceanic and Atmospheric Administration, \$991,049 for one year.

- Sullivan, W.C. (2006). *Conference on Ocean Literacy: Chicago Regional Workshop*. Subaward through the University of Maryland from the National Oceanic and Atmospheric Administration, \$10,000 for three months.
- Sullivan, W.C. (1992-2006). *Teaching landscape design at UIUC*. Illinois Landscape Contractors Association, Design Education Committee, \$14,000 over fourteen years.
- Newell, T., McCulley, M., Schejbal, D., Sullivan, W.C. (2005) *2007 Solar Decathlon*. National Renewable Energy Laboratory, US Department of Energy, \$100,000 for 20 months.
- Sullivan, W.C. (2003). *Public approval of riparian buffers in rural and urban landscapes*. Great Rivers Research and Education Center, 5,000 for one year.
- Sullivan, W.C. (2002). *Sustainability and public buildings in Illinois*. Illinois Environmental Protection Agency; \$10,000 for one year.
- Kruidenier, W., Sullivan, W.C., & Kuo, F.E. (2001). *Conveying the power of trees: A national outreach effort*. National Urban and Community Forestry Advisory Council, USDA Forest Service; \$194,858 for two years.
- Sullivan, W.C., & Kruidenier, W. (2001). *Does vegetation reduce crime in the inner city?* USDA Forest Service, Southern Research Station; \$10,000 for one year.
- Sullivan, W.C. (2001). *Creating digital slides for teaching landscape design*. Karl E. Gardner endowment for the enhancement of teaching; ACES, \$4,000 for one year.
- Sullivan, W.C. (2000). *Reducing urban crime: A multi-city assessment of the benefits of urban forests*. National Urban and Community Forestry Advisory Council, USDA Forest Service; \$125,330 for two years.
- Sullivan, W.C. (2000). *Urban forests & crime: A multi-city assessment of the benefits of urban forests*. USDA Forest Service's Natural Environments for Urban Populations Group. \$21,804 for three years.
- Sullivan, W.C. (2000). *Creating a digital record of Calumet*. USDA Forest Service's Natural Environments for Urban Populations Group. \$26,000 for three years.
- Sullivan, W.C. (2000). *Forest buffers at the urban fringe*. USDA Forest Service's Natural Environments for Urban Populations Group. \$18,611 for three years.
- Sullivan, W.C., Kuo, F.E., & Kweon, B.S. (1997). *Urban forestry for the 21st Century: Trees, vitality and longevity in older adults*. National Urban & Community Forestry Advisory Council, USDA Forest Service; \$130,000 for two years.
- Wiley, A., Montanelli, D., Kuo, F.E., & Sullivan, W.C. (1997). *Impact of welfare reform on rural and urban families in Illinois*. Special Research Initiative, College of Agricultural, Consumer & Environmental Sciences, UIUC; \$29,858 for one year.
- Kuo, F.E. & Sullivan, W.C. (1995). *Growing hope: Children, trees, and urban public housing*. National Urban & Community Forestry Advisory Council, USDA Forest Service; \$200,000 for two years.

- Sullivan, W.C., Endress, A. G., & Spomer, L.A. (1995). *Computer aided landscape design instruction*. UIUC Instructional Technologies Program, \$50,000 for one year.
- Sullivan, W.C. (1994). *Powerpoint instructional slides for Landscape Design*. Karl E. Gardner endowment for the enhancement of teaching; ACES, \$1,000 for one year.
- Kuo, F.E., Bacaicoa, M. & Sullivan, W.C. (1994). *Trees and urban public housing: Enhancing the use and benefits of outdoor spaces*. USDA Forest Service North Central Experiment Station, Chicago; \$19,850 for 18 months.
- Sullivan, W.C. & Nowak, P. Jr. (1994). *Casting the Net: Manufactures, competitiveness, and the Environmental Extension Network*. Illinois Department of Commerce and Community Affairs; \$100,000 for one year.
- Nowak, P.F. & Sullivan, W.C. (1993). *Environmental Extension Network*. US EPA Office of Solid Waste Emergency Response, \$300,000 for one year.
- Sullivan, W.C. (1993). *Building bridges: Environmental education and corporate America*. US EPA Office of Environmental Education, \$10,994 for one year.
- Sullivan, W.C. (1993). *The designed environment*. Illinois Landscape Contractors Association, Design Education Committee, \$1,500 for three months.
- Beaumont, G., Warner, R., Hornbaker, R. & Sullivan, W.C. (1993). *Science and education for agricultural sustainability: A model farming systems demonstration*. USDA Sustainable Agriculture Research and Education Program; \$28,400 for two years.
- Kuo, F.E., & Sullivan, W.C. (1993). *Coping with poverty: The value of nature in urban public housing*. National Urban & Community Forestry Advisory Council, USDA Forest Service; \$180,000 for two years.
- Sullivan, W.C. (1993). *Communicating environmental change: Computer simulations and Environmental Impact Statements*. US EPA Office of Environmental Education; \$20,690 for one year.
- Sullivan, W.C. (1992). *Do you see what I see? Small experiments in environmental education and training*. US EPA Office of Environmental Education; \$31,500 for one year.

#### **INVITED LECTURES AND TESTIMONY**

---

- Sullivan, W.C. (2008). *Urban landscapes and wellness*. Invited talk at Washington University's Brown School of Social Work, St. Louis.
- Sullivan, W.C. (2008). *A new view of nature*. Invited talk at the National Institute of Medicine's Roundtable on Environmental Health Sciences, Research, and Medicine, Washington, D.C.

- Sullivan, W.C. (2007). *Green design and wellness: Evidence from the field*. Keynote address for the New Zealand Recreation Association's National Conference, Rotorua, New Zealand.
- Sullivan, W.C. (2007). *The contributions of trees and greenery to civic society*. Keynote address at the "Trees in the Urban Environment" lecture series, Arnold Arboretum and Harvard University, Boston.
- Sullivan, W.C. (2007). *Nature, participation, and civil society*. Invited lecture at the conference "Reasonable Person Model: 2007" at the School of Natural Resources and Environment, University of Michigan, Ann Arbor.
- Sullivan, W.C. (2007). *Landscapes of hope: Trees and people in urban public housing*. Invited lecture to the Department of Landscape Architecture, Rutgers University, New Brunswick, New Jersey.
- Sullivan, W.C. (2007). *Environmental Psychology: Impacts for environmental health*. Invited talk at the National Institute of Medicine's Roundtable on Environmental Health Sciences, Research, and Medicine, Washington, D.C.
- Sullivan, W.C. (2007). *Landscapes of human evolution*. Invited keynote at the conference "Shades of green: Exploring biodiversity, human values, and urban planning" hosted by Guelph University and the Royal Botanic Gardens of Ontario, Canada.
- Sullivan, W.C. (2006). *Urban nature and wellness*. Invited talk to the National Center for Environmental Health at the Centers for Disease Control and Prevention, Atlanta.
- Sullivan, W.C. (2006). *Urban Forests: Social benefits, social justice*. Keynote address at the conference "Shade trees: A golden past, present, and future." Iowa State University, Ames, Iowa.
- Sullivan, W.C. (2005). *Beyond the garden gate: Benefits of neighborhood greening*. Keynote address to the American Association of Botanical Gardens and Arboreta annual meeting, Chicago, Illinois.
- Sullivan, W.C. (2005). *Impacts of green environments on human fitness*. Invited lecture to the Pediatric Environmental Health Scholars annual meeting, Reston, Virginia.
- Sullivan, W.C. (2004). *Deep roots: Urban forests and healthy communities*. Keynote address to the Healthy Trees, Healthy Cities, Healthy People conference sponsored by the Center for Disease Control and Prevention, Emory University, and the Georgia Forestry Commission, Atlanta, Georgia.
- Sullivan, W.C.. (2004). *Urban forests and human health*. Invited lecture, Chicago Botanic Garden, Glencoe, Illinois.
- Sullivan, W.C. (2004). *Evolution, landscapes, and the heavens*. Invited lecture before the world premier of *Sun Rings* by the Kronos Quartet, Kranert Center for the Performing Arts, Urbana, Illinois.
- Sullivan W.C. (2004). *Green infrastructure and healthy living*. Invited lecture to the Department of Landscape Architecture and Urban Planning, Texas A&M University, College Station, Texas.
- Sullivan W.C. (2004). *Social benefits of urban forests*. Invited lecture, Chicago Botanic Garden, Glencoe, Illinois.

- Sullivan W.C. (2004). *Urban green, human functioning: Evidence from Chicago*. Invited lecture to the Library Lecture Series at the Morton Arboretum, Lisle, Illinois.
- Sullivan W.C. (2003). *Landscapes and health*. Invited lecture to the Centers for Disease Control and Prevention and Emory University, Atlanta, Georgia.
- Sullivan W.C. (2003). *Urban landscape, healthy landscapes*. Invited lecture, Chicago Botanic Garden, Glencoe, Illinois.
- Sullivan W.C. (2003). *Beyond green: Urban forests and healthy communities*. Plenary session at the International Society of Arboriculture annual meeting, Montreal, Canada.
- Sullivan, W.C. (2002). *Evolution, place, & sustainability*. Invited lecture for the symposium Urban Place: Reconnections with the Natural World, Emory University, Atlanta, Georgia.
- Sullivan, W.C. (2002). *Urban forests and urban life: A look to the future*. Plenary address, Illinois Arborist Association; Tinley Park, Illinois.
- Kuo, F.E. & Sullivan, W.C. (2002). Invited testimony before the Chicago City Council Committee on Parks and Recreation; Chicago.
- Sullivan, W.C. (2002). *A vision for Landscape Architecture*. Department of Landscape Architecture, University of Illinois, Urbana-Champaign.
- Sullivan, W. (2002). *Creating sustainable buildings*. Keynote address, Planning Matters conference for the Planning & Zoning Institute, Champaign, Illinois.
- Sullivan, W.C., Kruidenier, W.P., & Canonizado, F.C. (2001). *Urban green and urban crime: Don't cut that tree down after all*. Invited paper at the Society for American Forests conference, Washington, D.C.
- Sullivan, W.C., & Kuo, F.E. (2000). *Far reaching benefits of green neighborhoods: Evidence from the inner city*. Invited paper at the conference Does the neighborhood landscape matter? University of California at Berkeley.
- Sullivan, W.C., (2000). *EDRA building bridges: From research to real world impacts*. Keynote address to the Environmental Design Research Association annual conference, San Francisco.
- Sullivan, W.C. (2000). *Urban forests and crime: Surprising evidence from the inner-city*. Testimony before the National Urban and Community Forestry Advisory Council, Chattanooga, TN.
- Sullivan, W.C., & Kuo, F.E. (1999). *Humans, urban design, and the inner-city*. Mid-American Collegiate Horticulture Society; Urbana, Illinois
- Sullivan, W.C. (1998). *Human nature and urban nature: Implications for urban environmental design*. Department of Urban Studies and Planning, Massachusetts Institute of Technology, Cambridge, MA.
- Kuo, F.E. & Sullivan, W.C. (1998). *The urban forest and community: Research from the inner city*. An invited lecture to the USDA North Central Experiment Station, and the College of Forest Resources, University of Minnesota.
- Sullivan, W.C. (1998). *Human nature and urban nature: Implications for Landscape Architecture*. An invited lecture at the Department of Landscape Architecture, University of Minnesota.

- Kuo, F.E., & Sullivan, W.C. (1997). *How trees build human capital: Latest findings from the inner-city*. Testimony before the National Urban and Community Forestry Advisory Council, Charleston, SC.
- Sullivan, W.C. (1996). *Creating places to live and grow: Trees and people in urban public housing*. Keynote address at the Green Summit, Chicago, IL.
- Kuo, F.E., & Sullivan, W.C. (1996). *A landscape of hope: Building community and decreasing violence in the inner-city*. University of California, Berkeley, CA.
- Kuo, F.E., & Sullivan, W.C. (1996). *A landscape of hope: Building community and decreasing violence in the inner-city*. University of Washington, Seattle, WA.
- Kuo, F.E., & Sullivan, W.C. (1996). *A landscape of hope: Building community and decreasing violence in the inner-city*. University of California, Davis, CA.
- Sullivan, W.C. & Kuo, F.E. (1995). *Trees and aggression in urban public housing*. Society of American Foresters National Convention, Portland, Maine.
- Sullivan, W.C. & Kuo, F.E. (1995). *Trees decrease violence in urban public housing: Latest findings*. 1995 Governor's Conference on Urban and Community Forestry, Chicago, IL.
- Kuo, F.E., & Sullivan, W.C. (1995). *Trees and the social functioning of public housing residents*. Testimony before the National Urban and Community Forestry Advisory Council, Baton Rouge, LA.
- Sullivan, W.C. (1994). *Satisfying landscapes: Latest findings of the Human-Environment Research Lab*. LABASH '94, Urbana, IL.
- Sullivan, W.C. (1994). *The environment and quality of life in the city*. 38th Annual Conference of the University of Illinois Agriculture Alumni Association, Urbana, IL.
- Sullivan, W.C. & Kuo, F.E. (1994). *Coping with poverty: The value of trees in urban public housing*. Testimony before the National Urban and Community Forestry Advisory Council, Seattle, WA.

#### **CONFERENCE PRESENTATIONS**

---

- Shammin, M.R. & Sullivan, W.C. (2008). *Blueprint for university campuses as living learning laboratories of sustainability*. *Association for the Advancement of Sustainability in Higher Education*. Raleigh, NC.
- Sullivan, W.C. (2008). *Dirt under your nails: Benefits of participating in ecological restoration*. *International Symposium on Society and Resource Management*, University of Vermont, Burlington, Vermont.
- Sullivan, W.C. (2007). *Urban nature and three dimensions of wellness*. *Council of Educators in Landscape Architecture*, Pennsylvania State University: State College, Pennsylvania.
- Sullivan, W.C. (2004). *Renewable energies: A real possibility in Illinois*. *Planning Matters* conference for the Planning & Zoning Institute, Champaign, Illinois.

- Sullivan, W.C., S. Taylor Lovell, and O.M. Anderson. (2003). Greening the campus research farm: Reactions from three stakeholder groups. Paper presented at *Greening of the Campus V*, Ball State University: Muncie, Indiana.
- Sullivan, W. (2002). The farm next door: Reducing conflicts among landuses at the rural-urban fringe. *Environmental Design Research Association* annual meeting in Philadelphia.
- Kruidenier, W.P., Kuo, F.E., & Sullivan, W.C. (2001). The physical environment and quality of life in inner cities. The Fourth International *Society of Quality of Life Studies Conference*. Washington, D.C.
- Anderson, O., & Sullivan, W.C. (2001). Toward improved agricultural systems: stakeholder opinions of environmental buffers in a research landscape. *Riparian Habitat and Floodplain Conference*, Sacramento, CA.
- Sullivan, W.C., Kuo, F.E.(2000). "New insights into an old environmental culprit in crime." *Environmental Design Research Association*, San Francisco, CA.
- Sullivan, W.C. (2000). "Ecological behavior: "Having an impact" Workshop presented at the *Environmental Design Research Association*, San Francisco, CA.
- Sullivan, W.C. & Kuo, F.E. "Promoting ecological behavior: Impacts of understanding on involvement." *Environmental Design Research Association*, San Francisco, CA.
- Taylor, A.F., Kuo, F.E., & Sullivan, W.C. (2000). "Nature and attention: The surprising benefits of green leisure environments for children with Attention Deficit Disorder." *Environmental Design Research Association*, San Francisco, CA.
- Sullivan, W.C., Kuo, F.E., & Coley, R.L. (1997). "Community-building effects of nature in urban public housing." *Environmental Design Research Association*, Montreal.
- Sullivan, W.C., Kuo, F.E., & Wiley, A. (1997). "Benefits of nature across the lifespan in urban public housing." Symposium presented at the *Environmental Design Research Association*, Montreal. This symposium included the following three papers:
- Taylor, A.F., Kuo, F.E., Sullivan, W.C., & Wiley, A. "The young and restless: Nature in the lives of children in urban public housing."
- Brunson, L., Kuo, F.E., & Sullivan, W.C. "The benefits of participation in greening and gardening activities for adults living in urban public housing."
- Kweon, B.S., Sullivan, W.C., & Wiley, A. "Nature and older adults: The benefits of nature for the social relationships of older Americans."
- Taylor, A.F., Wiley, A., Kuo, F.E., & Sullivan, W.C. (1997). "Play in the inner city: Where does it bloom?" *Society for Research in Child Development*, Washington, D.C.
- Taylor, A.F., Kuo, F.E., Sullivan, W.C., & Wiley, A. (1997). "Tending the flock: Adult supervision in the inner city." *Society for Research in Child Development*, Washington, D.C.
- Kuo, F.E., Sullivan, W.C., & Schlosser, A. (1996). "Inner cities, mental fatigue, and violence." Symposium, *Environmental Design Research Association*, Salt Lake City, UT.

- Wiley, A., Kuo, F.E., & Sullivan, W.C. (1996). "Nature in the inner city: Fertile ground for child development." *Environmental Design Research Association*, Salt Lake City, UT.
- Wiley, A., Kuo, F.E., & Sullivan, W.C. (1996). "Examination of the implications for children's environments of the U.N. Convention on the Rights of the Child." *Environmental Design Research Association*, Salt Lake City, UT.
- Faber, A., Wiley, A., Kuo, F.E., & Sullivan, W.C. (1996). "Play in the inner city: Nature as resource for sociodramatic play." *Environmental Design Research Association*, Salt Lake City, UT.
- De Pooter, S., Sullivan, W.C., & Kuo, F.E. (1996). "Neighbors and nature: Trees & social interactions in urban public housing." *Environmental Design Research Association*. Salt Lake City, UT.
- Coley, R.L., Kuo, F.E., & Sullivan, W.C. (1996). "The influence of nature on neighbor relations in urban public housing." *Environmental Design Research Association*. Salt Lake City, UT.
- Brunson, L., Kuo, F.E., & Sullivan, W.C. (1996). "Community life and nature in public spaces in urban public housing." *Environmental Design Research Association*, Salt Lake City, UT.
- Bacaicoa, M., Sullivan, W.C., & Kuo, F.E. (1996). "The urban forest in urban public housing: Enhancing the use of outdoor public spaces." *Environmental Design Research Association*. Salt Lake City, UT.
- Kweon, B.S., Sullivan, W.C., & Wiley, A. (1996). "The benefits of nature to older adults." *Environmental Design Research Association*, Salt Lake City, UT.
- Kuo, F.E. & Sullivan, W.C. (1995). "Trees, aggression, and violence in the home." *Seventh National Urban Forestry Conference*, New York, NY.
- Kuo, F.E. & Sullivan, W.C. (1995). "Where does community grow? Public spaces and community in urban public housing." Symposium presented at the *Fifth Biennial Conference on Community Research & Action*, Chicago, IL.
- Westphal, L., Hemmons, G., Kuo, F.E., McDonough, M., & Sullivan, W.C. (1994). "Community Revitalization Impacts of Urban Greening." Panel presentation at the *American Community Gardening Association & American Horticultural Therapists Conference*, Chicago, IL.
- Foster, K., Shannon, S.S., Sullivan, W.C. (1994). "Examining public policies through computer simulation." Ninety minute workshop, *Environmental Design Research Association*, San Antonio, TX.
- Bardwell, L., Kuo, F., Sullivan, W., & Wolf, K. (1992). "Environmental problem solving, as if sustainability mattered." Ninety minute workshop, *Environmental Design Research Association*, Denver, CO.
- Clement, L.C. & Sullivan, W.C. (1988). "From idea through evaluation: A model urban design process for community participation." 4th International Making Cities Livable Conference, Charleston, SC.
- Sullivan, W.C. (1985). "Profit and Open Space: Fulfilling Open Space Dedication Requirements in a Profitable Fashion." Institute of Urban Design, Chicago, IL.

## CREATIVE WORKS

---

- Sullivan, W.C. (2000-2002). Senior Consultant to SensoryScapes, Inc.
- Sullivan, W.C. (2000) Consultant to Intermountain Health Care on site assessment and site development policy.
- Sullivan, W.C. (1989). Commissioned to prepare a complete set of landscape plans for a new entry to the Bridgeview Center Hi-Tech Industrial Park, Zilwaukee, Michigan. The entry was built in 1990 at a cost of \$1.2 million.
- Clement, L.C. & Sullivan, W.C. (1988). *Choices: Art and architecture of public spaces: Interim use proposals for the Bruce R. Watkins Drive*. Shown twelve weeks at the Euphrates Gallery, and three weeks at the Planning Center, both in Kansas City, MO.
- Clement, L.C. & Sullivan, W.C. (1987). "The Bruce R. Watkins Interim Use Design Charrette." Supported by Kansas City Foundations.
- Sullivan, W.C. & Clement, L.C. (1987). "Interim Uses for the South Midtown Roadway Corridor." Kansas City Department of Housing and Community Development.
- Sullivan, W.C. (1987). Commissioned to write three sections of the Kansas proposal to the U.S. Department of Energy for the Superconducting Super Collider by the Kansas Department of Commerce.
- Clement, L.C. & Sullivan, W.C. (1986). "The South Midtown Roadway Corridor: A Process for Neighborhood Improvement." National Endowment for the Arts, Design For Cities, \$30,000 grant for one year.
- Sullivan, W.C. (1985). Intern for the Trust for Public Lands, Urban Lands Division, Denver, Colorado. Conducted research for the procurement and development of five community gardens.
- Sullivan, W.C. (1985). Consultant for Colorado Open Lands. Conducted an analysis of Douglas County Colorado and developed a county-wide open space plan.
- Sullivan, W.C. (1985). Consultant for Bramhall and Associates. Wrote two successful grant applications: \$167,000 to the Consumer Cooperative Development Corporation, and \$35,000 for a Loveland County Community Development Block Grant.
- Sullivan, W.C. (1985). Prepared a master plan and construction drawings for the renovation of Randolph Park in Riley County Kansas. Additions to the existing park were made between 1986 and 1992 at a cost of \$180,000.
- Sullivan, W.C. (1985). Prepared a master plan and construction drawings for the renovation of Ogdon City Park in Riley County Kansas. Additions to the existing park were made between 1986 and 1992 at a cost of \$145,000.
- Sullivan, W.C. (1984). Prepared a master plan and construction drawings for the development of South Park in Riley County Kansas. The park was built between 1986 and 1995 at a cost of \$2.7 million.

Sullivan, W.C. (1983). Prepared a master plan and construction drawings for the development of Keats Park in Riley County Kansas. The park was built between 1986 and 1990 at a cost of \$1.5 million.

## **GRADUATE STUDENT SUPERVISION**

---

I have been the major advisor for:

Robert Scott, Masters degree in Natural Resources and Environmental Sciences, 2004-2006.  
Thesis: Illinois Permaculture Handbook. Currently a Ph.D. student in Education Policy at UIUC.

Rebecca Kenwick, Masters degree in Natural Resources and Environmental Sciences, 2003-2006.  
Thesis: Management strategies at the water's edge: A photoquestionnaire of Midwestern riparian areas in rural and suburban settings. Currently an instructor at Lincoln Community College, in Illinois.

Frank Hagen, MS student in Natural Resources and Environmental Sciences; 2001-2003. Thesis: *Illinois farmer's use of nitrogen: motivations for over application*. Currently a research scientist at the Army Corps of Engineers.

Cory Rolfe, Master of Landscape Architecture, 2000-2003. Thesis: *Green the campus landscape: A case study of the University of Illinois at Urbana-Champaign*.

Olin Anderson, Master of Landscape Architecture, 1999-2001. Thesis: *Farm buffers in the public eye*. Currently practicing landscape architecture in California.

Keith Nowakowski, Master of Landscape Architecture, 1999-2001. Thesis: *The Prairie-Style landscape garden: A bioregionally based landscape aesthetic for small scale residential sites in Illinois*. Currently practicing landscape architecture in Illinois.

Byoung-Suk Kweon, Ph.D, 1993 - 1998. Dissertation: *Nature and the Well-Being of Inner-City Older Adults*. Dr. Kweon is now a tenure-track assistant professor in the Department of Landscape Architecture at Texas A&M University.

Stephen DePooter, Master of Landscape Architecture, 1994 - 1997. Thesis: *Tree cover and social activities in inner-city neighborhood common spaces*. Currently employed by Emory University in Atlanta, Georgia.

Irene Miles, M.S. Natural Resources and Environmental Sciences, 1994 - 1996. Thesis: *Prairie restoration volunteers: The benefits of participation*. Currently a writer working for Information Services, University of Illinois at Urbana-Champaign.

Andrea Faber Taylor, M.S. Natural Resources and Environmental Sciences, 1994 - 1996. Thesis: *Children's play and access to adults in urban public housing outdoor spaces as a function of trees*. Currently a Post-Doctoral Research Scientist, NRES, University of Illinois at Urbana-Champaign.

Malen Bacaicoa, Master of Landscape Architecture, 1993 - 1995. Thesis: *Tree planting and landscape maintenance in urban public housing*. Currently a practicing landscape architect in France.

Bruce Dvorak, Master of Landscape Architecture, 1993 - 1995. Thesis: *Reading the margins: Perceptions of East Central Illinois farmland*. Currently a practicing landscape architect in Seattle, Washington.

Mona Prabhu, Master of Landscape Architecture, 1993 - 1995. Thesis: *Communicating effectively: Evaluating the effectiveness of visual simulations and readability standards in Environmental Impact Statements*. Currently a practicing landscape architect in St. Paul, Minnesota.

Kirsten Bolin, M.S. Horticulture, 1993 - 1995. Thesis: *Herbaceous perennials for the Midwest*. Currently working as a horticulturist for Tropical Plants in Chicago, IL.

Supawadee Chaiputhi, Master of Landscape Architecture, 1992 - 1994. Thesis: *Management of highway roadside landscapes: Perceptions of highway users*. Currently a practicing landscape architect in Bangkok, Thailand.

## **INSTRUCTION**

---

### *University of Illinois*

Small Site Planning and Design  
Small Site Design and Construction  
Integrated Ecosystem Management

### *University of Michigan*

The Logic of Data Analysis: Measurement and Design  
Research Methods in Behavior and Environment (Teaching Assistant)  
Introduction to Environmental Studies (Teaching Assistant)  
Natural Resources: Ecological Issues (Teaching Assistant)

### *Kansas State University*

Drawing and Visual Perception  
Graphics I  
Graphics II  
Environmental Design Studio I  
Environmental Design Studio II  
Accelerated Environmental Design Studio

## **Public Service**

---

Secretary and Treasure, Council of Environmental Deans and Directors.  
Executive Committee member, Council of Environmental Deans and Directors.  
Planning committee member for the annual conference of the National Council for Science and Environment's seventh conference: *Integrating Environment and Human Health* (2007).

Council of Environmental Deans & Directors representative to the National Science Foundation's National Ecological Observatory Network working group on Governance and Structure: 2003.

Director; *Environmental Extension Network*, 1993-1996

- developed, and tested 20 fact sheets regarding environmental health and safety for small businesses
- provided novice-friendly pollution prevention and regulatory compliance information to

more than 500 small business managers and owners at their place of business  
Founder of the *Green Summit*, 1994-1996

- organized one dozen public and private agencies (e.g., the Nature Conservancy, Mighty Acorns, Friends of the Chicago Parks, Chicago Academy of Science) into the Green Summit
- provided a wide range of educational experiences – each based on some environmental content – to poor inner-city children

### **Service to the Profession**

---

Juror, Great Places Awards: Design, Research and Planning for the Public Realm; A design competition sponsored by EDRA, Meropolis magazine and Places, 2009.

Director & Senior Instructor, Illinois Landscape Contractors Association's Design Seminar, 1992-2006

- wrote curriculum for 5 classes taught concurrently over 3 days
- supervised the instruction of 13 practitioner/teachers
- attendance each year has been between 75 to 110 practitioners

Design Critic, Illinois Landscape Contractors Association's Design Competition, 1994-1995

Senior Critic, Illinois Landscape Contractors Association's Design Competition, 1996

Instructor, *Quick Graphics*, a one day seminar for the Landscape Contractors Association of Maryland, District of Columbia, and Virginia; Gaithersburg, 1992

Instructor, *Presentation Graphics*, a two-day seminar for the Landscape Contractors Association of Maryland, District of Columbia, and Virginia; Tysons Corner, 1991

Instructor for *Hands on Graphics*, a one-day seminar for the California Landscape Contractors Association; Long Beach, 1990

Instructor, *Presentation Graphics*, a three-day seminar for the Illinois Landscape Contractors Association; Chicago, 1985-1991

### **Service to the University of Illinois**

---

Member, Landscape Architecture Advisory Committee 2007-2009.

Chair, Earth & Society Initiative 2005 – 2008.

Co-Chair, Chancellor's Committee for a Sustainable Campus Environment, 2004 – 2006.

Member, Chancellor's Design Advisory Committee 2005 to present.

UIUC Solar Decathlon Leadership Committee (Co-Chair of Fundraising), 2005 to 2007.

Chair, Campus Environmental Stewardship Committee (member from 2005 to 2007, Chair 2006 to 2007).

Member, Vice Chancellor for Research's committee on Directions of the National Center for Supercomputing Applications, 2004

Chair, NRES External Relations Committee, 2004-2005

Chair, Human Dimensions of Environmental Systems; 2000-2003

Chair, College of ACES Signature Building Committee; 2002-2004

Chair, NRES Green-Smart Building committee; 2000-2002

Chair, College of ACES Signature Building Committee; 2002-2003

Chancellor's Sustainable Environment Committee 2002-2004

NRES Promotion and Tenure committee, 2001-2002

College of ACES Graduate Policy Committee; 2000-2002

College of ACES Development Committee; 2002-2004

NRES Graduate Policy Committee 1998-2001

Human Dimensions of Environmental Systems Steering Committee, 1995-1997; 2000-2003

Undergraduate Education Subcommittee, University Task-Force on the Environment; 1994-1995

College of ACES Research Apprentice Program (RAP), 1993, 1994

NRES Courses and Curriculum Committee (during a time when we prepared a major revision to our undergraduate curriculum), 1993-1996

NRES Seminar Committee, 1992-1996  
NRES Advisory Committee, 1993-1996  
NRES Administration and Governance Committee (responsible for writing the new department's Bylaws), 1995

#### **MEMBERSHIP**

---

National Council for Science and the Environment  
Council of Environmental Deans & Directors  
Environmental Design Research Association  
Environmental Justice Project Executive Committee  
Allerton Park Advisory Board
